Screw blades directly from the manufacturer – precise, fast, low cost!

What we stand for

Driven by the desire to constantly become faster and more precise and economical for our customers, we focus on efficiency and digitalization.

Our unique manufacturing process, manufacturing staff we have trained ourselves, and selected materials have enabled us to manufacture high-quality screw blades for 40 years.

What we offer

- » Dimensions from 50 to 3,000 mm Ø
- » Material thickness from 2 to 60 mm
- » Delivery time from 5 to 10 days
- » Standard designs (cylindrical or conical)
- » Various special designs (toothed, perforated, or with inclinations or boreholes)
- » Individual labeling for your production processes
- » Delivery directly to the production site

You need extra-large?
